**Greg Dupuis Receives Quality Management Systems Lead Auditor Certification with RABQSA  
January 2008**

Mr. Dupuis successfully completed the Quality Management System Lead Auditor certification with the RABQSA. Dupuis completed the QMS Lead Auditor recognition in January 2008. The QMS Lead Auditor certification recognizes the competency of the auditor, and that the auditor has demonstrated the ability to manage an audit team and co-ordinate all aspects of a complete audit. Dupuis is registered as a QMS Lead Auditor in the scope of ISO 9001:2000.

RABQSA is an internationally recognized Personnel Certification Agency that certifies persons have been independently examined through processes that meet the internationally recognized standard for personnel certification ISO/IEC 17024:2003. RABQSA Certification formally recognizes the competence of personnel, with the objective of improving the performance of organizations in terms of efficiency, effectiveness and competitiveness.
